- 4) **Review, Discussion and Possible Action regarding ordering and utilizing bond funds for the purchase of two 2015 Ford F250, four wheel drive, crew cab pickup trucks at the government rate of \$29,926 plus tax and any applicable license fees**

Chief Delfs addressed the Board, stating that at the recent WorkStudy Session, there was a discussion about the possibility of adding staff captains. To accommodate their response needs, our mechanic located two 2015 Ford pickup trucks each priced at \$29,926 plus tax, which is a substantially lower price than the \$62,000 sticker price on the same vehicles sittin on the Holmes Tuttle Ford lot. These vehicles take 8-10 weeks to build and there are only a limited number of chassis' available, so we have to act quickly to secure the contract. The Chief recommended that the Board expend bond funds to purchase the two Ford vehicles at the government rate of \$29,926 plus tax. The general response from the Board was that this is a fiscally responsible opportunity to address the needs of the District. Clerk Bauer motioned to utilize bond funds for the purchase of two 2015 Ford F250, four wheel drive, crew cab pickup trucks at the government rate of \$29,926 plus tax and any applicable fees. Director Horch seconded. *Motion carried unanimously, 5:0.*
